OFFICIAL PROGRAMME GUIDE

Ol Kalou Technical & Vocational College

Programmes and courses by academic department - Generated 08 Nov 2026

Building and Civil Engineering

Building Technology

Course	Duration	Entry requirements
Building Technology level 5	2	Contact the college for current requirements
Building Technology Level 6	3	Contact the college for current requirements
Masonry level 4	1	Contact the college for current requirements
Plumbing Level 4	1	Contact the college for current requirements
Plumbing Level 5	2	Contact the college for current requirements

Plumbing

Course	Duration	Entry requirements
Plumbing level 3	2 Terms	Contact the college for current requirements

Masonry

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

civil engineering

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Building and construction Technology

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Business & Liberal Studies

business management

Course	Duration	Entry requirements

No courses are currently listed under this programme.

banking and finance

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

human resource management

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

supply chain management

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

store keeping

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

social work

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Computing & Informatics

Iinformation and communication Technology

Course	Duration	Entry requirements
CRAFT CERTIFICATE IN ICT	2 Years	Contact the college for current requirements
ICT LEVEL 3 Terms	Contact the college	Contact the college for current requirements
ICT LEVEL 4	Contact the college	Contact the college for current requirements
ICT LEVEL 5	5 Terms	Contact the college for current requirements
ICT LEVEL 6	8 Terms	Contact the college for current requirements

information science

Course	Duration	Entry requirements

Library and Information science level 5	5 Terms	Contact the college for current requirements
library and information science Management level 6	8 Terms	Contact the college for current requirements

computer science

Course	Duration	Entry requirements
computer science level 6	8 Terms	Contact the college for current requirements

computer packages

Course	Duration	Entry requirements
Computer Packages Essential	2 Months	Contact the college for current requirements

web design

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

digital marketing

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

records management

Course	Duration	Entry requirements
Records Management level 4	3 Terms	Contact the college for current requirements
Records Management level 5	5 Terms	Contact the college for current requirements
Records Management level 6	6 Terms	Contact the college for current requirements

Electrical & Electronics Engineering

electrical engineering

Course	Duration	Entry requirements
Electrical Engineering level 5	5 Terms	Contact the college for current requirements
Electrical Engineering level 6	8 Terms	Contact the college for current requirements

Course	Duration	Entry requirements
Electrical Operations level 5	5 Terms	Contact the college for current requirements

Electrical Operations

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Electrical Installation

Course	Duration	Entry requirements
Electrical Installation level 3	2 Years	Contact the college for current requirements
Electrical Installation level 4	3 Terms	Contact the college for current requirements

Electrical Wireman

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Fashion Desing and Cosmetology

Cosmetology

Course	Duration	Entry requirements
Beauty Therapy level 4	3 Terms	Contact the college for current requirements
Beauty Therapy level 5	5 Terms	Contact the college for current requirements
Beauty Therapy level 6	6 Terms	Contact the college for current requirements
cosmetology level 3	2 Terms	Contact the college for current requirements
cosmetology level 4	3 Terms	Contact the college for current requirements
Cosmetology level 5	5 Terms	Contact the college for current requirements
cosmetology level 6	7 Terms	Contact the college for current requirements
Hairdressing level 4	3 Terms	Contact the college for current requirements

Course	Duration	Entry requirements
Hairdressing level 5	5 Terms	Contact the college for current requirements
Hairdressing level 6	6 Terms	Contact the college for current requirements

Fashion and Design

Course	Duration	Entry requirements
Diploma in fashion Design	3 Years	Contact the college for current requirements
Fashion Design level 3	2 Terms	Contact the college for current requirements
Fashion Design Management level 6	7 Terms	Contact the college for current requirements
Fashion Design Technology level 5	5 Terms	Contact the college for current requirements

Interior Design

Course	Duration	Entry requirements
No courses are currently listed under this programme.		

Hospitality Management

Food and Beverage production(culinary arts)

Course	Duration	Entry requirements
Food and Beverage production level 3	2 Terms	Contact the college for current requirements
Food and Beverage level 5	5 Terms	Contact the college for current requirements
Food and Beverage production level 6	6 Terms	Contact the college for current requirements

Food and beverage Sales and Services

Course	Duration	Entry requirements
Food and Beverage sales and Services level 5	5 Terms	Contact the college for current requirements
Food and Beverage sales services	6 Terms	Contact the college for current requirements

Mechanical and Automotive Engineering

Welding and Fabrication

Course	Duration	Entry requirements
Welding and Fabrication level 6	7 Terms	Contact the college for current requirements
Welding level 4	3 Terms	Contact the college for current requirements
Welding Technology level 5	5 Terms	Contact the college for current requirements

Automotive Engineering and Technology

Course	Duration	Entry requirements
Automotive Engineering level 4	3 Terms	Contact the college for current requirements
Automotive Engineering level 6	7 Terms	Contact the college for current requirements
